To Whom It May Concern,

Bernard Joshua Raja Rajan was a Swinburne University of Technology student from INTI International College Subang Jaya. I have previously taught him in three different subjects during his final year. Bernard is a hardworking student and it shows in all his results obtained from assignments and projects. He has shown interest in the latest trends and advancements in the Data Science and Big Data fields.

With his excellent academic achievement, Bernard also possesses a good personality attribute. He is a dedicated, trustworthy and, responsible person. He has shown great leadership qualities, effectively coordinating tasks for each group member and, having good problem-solving skills.

It is my great pleasure to recommend him to pursue his career at your esteemed organization. With the ability and personality that he possesses, I am sure that he will be a great addition to your workforce. If you need any further information, please do not hesitate to contact me.

Sincerely,
